Sub: Complaint against Ms Sasikala and her relatives for usurping Government lands and other private lands

Sir,

It has come to our notice with proof that the General Secretary of AIADMK Ms Sasikala and her relatives have been involved in grabbing of several lands in TamilNadu over the last 2 decades. It becomes a great cause of concern for people in TamilNadu that a person involved in grabbing of Government lands, ponds and other private lands is at the verge of becoming Chief Minister and inspite of several complaints on such land grabbing, local police officials have just been hand in glove in the whole process and has not acted on it. This has put the owners through severe mental agony. Also, many Government lands and ponds have been encroached upon by Sasikala and her relatives through strong arm tactics, threats. Therefore we request you to immediately take action against the law violators and recover the encroached lands

This complaint particularly pertains to the Siruthavur, Payanoor and Karunkuzhipallam villages of Thiruporur, Kanchipuram where many survey numbers have been illegally encroached or grabbed by Sasikala and her family members. The entire 112 acres have been compounded by Sasikala and her relatives and police have been providing round the clock security for the encroached land

1. Government Pond bearing survey number 406 in Siruthavur village, Thiruporur SRO, Kanchipuram District have been encroached by Sasikala and her family by forging documents. I am attaching the EC which says that survey number 406 has been registered in the name of V.N.Sudhakaran. However, I am also attaching the guideline value from the TN registration website which clearly lists it as a Government Pond (Reference 1)

2. Government lands bearing survey number 392/1, 345/1 are clearly classified as Govt others in the TNReginet website. However, these lands are registered in the name of Sudhakaran and Illavarasi as per the Encumbrance certificate. Again, clearly forged fake documents have been created and the Government lands have been encroached (Reference 2)

3. Vijayalakshmi and Kannan residing near Guduvanchery bought lands bearing survey number 11/1B and 11/2, plot numbers 3,14,19,31,36,48, 53, 2, 32, 35, 49, 52, 15, 18 totalling 16.44 grounds at Karunkuzhipallam village, Thiruporur SRO, Kanchipuram District in the name of Vijayalakshmi, Kannan, Vijayalakshmi's mother and their son. I have attached the proof of the encumbrance certificate bearing their name. However Sasikala through her benami company Bharani Beach resorts Pvt Ltd have created forged documents in 2003 and encroached on the land. They have complained several times to police and the district collector and no action on the encroachers have been taken so far (Reference 3)

4. Gangai Amaran and his wife Manimegalai who owned 22 acres of land in Payanur village in Thiruporur SRO, Kanchipuram District was called upon to Poes Garden in 1994 and Sasikala asked him to sell his Payanur Bungalow to her. After this, Ms Sasikala sent V.N.Sudhakaran to Gangai Amaran's home along with officials and threatened them and got signatures for sale transfer. The land was registered in the name of Ms. Sasikala. Mr Gangai Amaran has not only complained but has also said this in open court and has been recorded clearly in the Cunha Judgement of the Disproportionate assets case on the former CM, Sasikala, Illavarasi and Sudhakaran. I am attaching the proof of the statement where the court has verified that the lands have been registered in the name of Sasikala. (Reference 4)

It is clear that Sasikala and her relatives have been involved in land grabbing, threatening people and encroaching Government lands and ponds. I request you to immediately file a FIR, arrest Ms Sasikala and her

relatives involved in the illegalities and restore the lands to its original owners. Action must also be taken on all the Government officials who were involved in forging and faking documents. Also, I demand that you immediately withdraw security that you have been giving to the Siruthavur bungalow since it is a grabbed and encroached land. Police should not give security to such law breakers and private property.

Sincerely,

Jayaram Venkatesan
